

Mike & Diane travel to Australia

Our trip was a beautiful journey. We landed in Sydney on the 3rd of Feb to be greeted by 106°F degree temperatures. It was a real shock seeing when we left Michigan it was -5°F. We saw the Madam Butterfly at the famous opera house.

WOW We took Tony and Martha to see the devils in Tasmania. Diane and I also flew to Perth to visit the National Park where we saw fiery penguins, dolphins, seals and my favorite the Sea Eagle. This bird was so beautiful and very large.

Light of the World Retreats

March 25th, 2011 Retreat News.

The message that was given Friday night & Saturday was entitled "Love Wins". Diane handed me an article about the new book called Love Wins by Rob Bell. He is the young pastor of Mars Hill Bible Church in Grand Rapids, MI. They have over 10,000 members. The focus of his book was about Hell, Heaven and the fate of every person that every

lived. Bell's teaching is causing much turmoil within the religious community and we are excited about what we are seeing here in Michigan.

Friday night Mike taught on our understanding of History and Hell. On Saturday he taught on Heaven and Love. There was also a third recording that was done Sunday on Love. (See links below)

Scheduled Retreats: 2011

We will start Friday evening at 7pm and end Saturday at 4pm.

We encourage everyone to enter into each session with a attitude of quietness and meditation. We will have time for sharing at lunch and following the afternoon meditation. If you have questions please write them down and leave them on the podium.

Potluck lunch will be served on Saturday from 12 to 2pm. We have sleeping room for up to 12 out of town guests. You could come to the area for a short vacation as we have great lakes, golf and other attractions. We will be blessed as we come together in silent listening.
