

LIGHT NOTES

- Tony & Martha spent time with Nancy Rouherst in Grand Haven. It is close to Holland, MI. It is a great example of the Dutch immigrants and the Dutch culture. Waldemar and Jackie drove Tony & Martha around and Jackie did a lot of cooking. Wow what a great cook! She even got me to eat lamb!
- Martha said she wanted to see Niagara Falls in Canada. We spent four days with them at the falls and it was wonderful! We stayed in a Hotel that had all glass walls and overlooked the falls from high above main street.
- Just before Tony & Martha left for Florida we toured the Henry Ford Museum in Dearborn. The display of cars and examples of the life-style of the fifties and sixties was really nice.

# Light of the World Retreats

Last September, during Tony's visit to the USA, he expressed his desire to me about holding regular meetings here in the USA. He expressed that same desire to me again this year.

The Father has now given me the desire to fulfill Tony's request and so we will begin having monthly retreats at our home in October.

Some of you remember when we were involved in Union Life years ago and it was all wonderful at that time, but the message now coming from the Father is taking us to a higher understanding. It is going out to move us beyond the turmoil of the human mind as the knowledge of this world is passing away.

**Scheduled retreats** for the rest of the year begin on: October 8th & 9th, November 12th & 13th, December 17th & 18th. We will start Friday evenings at 8pm and end Saturday at 4pm. Lunch will be served on Saturday. We can also provide accommodations for up to 12 out of town guests. You could come to the area for a short vacation as we have great lakes, golf and other attractions.

On October 8th I will share on Friday evening. We will watch one of Tony's videos together on Saturday morning. Lunch will be from 12pm-2pm then a meditation in the afternoon with fellowship afterwards. We will have time for sharing at lunch and following the afternoon meditation.

We will be blessed as we come together in silent listening.
