Light of the World Retreats

The December 2010 retreat was wonderful. The message that was given Friday night was entitled "The Phantom Man". We all have to understand that we have forgotten to remember who we are. Everyone has left his heritage to follow the phantom man. This mortal man was born the moment you said "I am not satisfied". At that same moment hell was

established here on earth as we started on our decent to fill the bottomless pit of desire and pleasure. Hell is a bottomless pit! When will we escape this turmoil of the human mind to enjoy our heritage? For all who have ears to hear 2011 will be the year to escape this world. "Fear not for I have overcome the world"

Scheduled Retreats: 2011
 January 14th & 15th will be our next weekend retreat. We will start Friday evening at 7pm and end Saturday at 4pm. The next retreat will be March 18th & 19th, 2011. We will be in Australia during the month of February.

Potluck lunch will be served on Saturday. We have sleeping room for up to 12 out of town guests. You could come to the area for a short vacation as we have great lakes, golf and other attractions.

I will share on Friday evening. We will watch one of Tony's videos at 10:00am Saturday morning. Lunch will be from 12pm-2pm then a meditation in the afternoon with fellowship afterwards. We will have time for sharing at lunch and following the afternoon meditation.

We will be blessed as we come together in silent listening.
